

MANJIMUP WOODTURNERS

The first general meeting of the Manjimup group was held on Tuesday 18th April 2000 with 8 members present. The meeting was also attended by Neil Basden (WAWA President) and Brian Fowlie. Neil congratulated the members for all the work done and officially declared the group to be the Manjimup Branch of the Western Australian Woodturners Association.

An election for office bearers resulted in the Convenor – Bert Angus, Deputy Convenor – Bill Harrison and Secretary/Treasurer – Ken Farr. Bert Angus gave a resumé of progress so far in setting up the group and the state of negotiations with the Shire in relation to the use of a shed in the Timber Park Edwards St Manjimup.

Photos show the original building.

The shed was simply a “barn” with minimal walls, and a dirt floor but it did have a roof. A busy bee was organized for May 28th to clear the shed out.

The group removed approximately 4 ton of wood and tools belonging to the shire. Then covered the floor with sand and prepared the levels ready for laying of concrete floor.

Subsequently the concrete floor was laid, walls were completed with doors and windows, but it was 12 months before the workshop could be lined.

The shed has come a long way and is now a very functional workshop.

Visitors are most welcome. (Meeting days, times and contact information is available under the Manjimup Group on the Western Australian Woodturners Association Website)
