Sunday 4 August, 2024

Present – Syd Harvey, Aiton Sheppard, Ian Hamilton (from 1210), Jon Braine, Tania Emmerson, Stan Nolan (from 1100), Ivan Lucic, Trevor Flynn, and Ross Flint.

Apologies – John Townsend.

WELCOME

Syd welcomed everyone and discussed details of Noel's funeral to be held at Bowera O'day, 131 Great Eastern Highway, Bellevue, at 2.30p. He had been asked to speak about Noel but will discuss with Don Clarke who is also a member of the Swan Group with Noel. Ross mentioned that a military contingent will be present from Noel's regiment.

DUMMY SHELL PROJECT

The morning was spent sanding components for the shell bases which Syd will finish off.   We then broke for a BBQ lunch. On completion of the project a social gathering will be arranged for all involved to celebrate the outcome. Aiton offered his home for a lunchtime function on a Thursday when Tania gets back from the UK (TBA).

The presentation shell for West Pine was discussed. Ross advised that he will be speaking to the Chairman of the Rottnest Artillery Museum Committee and we may attend one of their meetings. The Museum Committee will be able to advise us about a suitable logo and inscription which Tania will be carving.

There will be left over planks which it was agreed will be offered for sale at $25 each.

SUGGESTED PROJECTS
