

The picture shows Christmas baubles
Turned by Tracy Redwood WAWA 3230
and Richard Barkman WAWA 1842

CHRISTMAS BAUBLES

SCALE: Drawn to full size

(Check printer settings to ensure full size printing.)

Turning these baubles
using only a skew is an
excellent way of honing
ones skew handling skills.

The baubles were finished
with two coats of sanding
sealer and decorated using
"Posca" paint pens.
