

# S 41

(drawing 1 of 2)

## Wig Stand Notes:

- Wig stands can vary in size. Dimensions given are suggestions only and may be changed to suit the type of wig to be held.
- These stand designs may be varied to taste. See drawing S41(2) for a different design interpretation.
- Ensure the finish used will not transfer residue to the wig.
- Spigot sizes are not critical and may be adjusted to suit the drill size available.
