

The picture above shows a Balls-in-a-Maze game made by Mario Baldacchino WAWA 3203. The perspex cover has been removed in the photo for clarity.

BALLS-IN-A-MAZE GAME

via Ted Stewart-Wynne WAWA 961

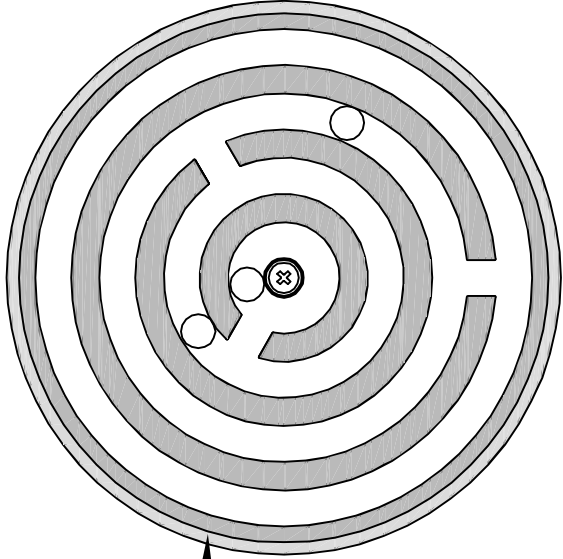

SCALE: Drawn to 1/2 full size
All dimensions are in millimetres
(Check printer settings to ensure to scale printing.)

SECTION VIEW

NOTE:

Use 3 or more 90 ball bearings.
Ensure bottoms of ball races are smooth, clean and even to allow balls to run freely and smoothly.
Ball race gateways are 10mm wide.
Lightly round all edges.
