### W.A.W.A. GROUPS MEETING TIMES, DATES AND VENUES.

- BUNBURY.** 1st and 3rd Wednesday. 7pm. Cross Electrics.
- BUSSELTON.** 2nd and 4th Wednesday. 7pm. Venue - High School.
- CENTRAL/MIDLANDS.** 4th Saturday of every month. Moora High School. (Depending on availability of venue).
- CENTRAL/SOUTHERN.** 2nd and 4th Wednesday. Brookton District High School.
- COLLIE.** Sundays 9.15am to 4pm. Various home workshops.
- KENWICK.** 1st and 3rd Wednesdays. 7.30pm Liddlelow Homestead, Cooper Avenue, Kenwick.
- MANDURAH.** Every 2nd Tuesday 3pm from 15th February. Mandurah High School, Gibla Street, Mandurah. Check with Convenor for locations during school holidays.
- MELVILLE.** 4th Thursday. 7.45pm Palmyra Recreation Centre, Cnr Murray Rd and Canning Hwy, Melville.
- MIDVALE.** 2nd Tuesday. 7pm The Woodworking Centre 36 Farrall Road, Midvale.
- MUNDARING.** Every Friday. 7.30pm. Old Parkerville Primary School, Cnr Dura Road and Riley Road, Parkerville.
- NORTH OF RIVER.** 4th Tuesday. 7pm Woodstock 13 Cressall Road, Balcatta.
- WANDI.** 1st and 3rd Thursday. 7pm. Wandl Community Hall, Lot 33 DeHaer Rd, Wandl.

## PRESIDENT'S COMMENTS.

Firstly, I would like to thank Jim PEMBER for organising the very enjoyable bus trip to Brunswick and back for the February weekend workshop. I would highly recommend a trip on the bus to any of our country workshops. Not only do you avoid the hassles and stress of driving, but you can enjoy the companionship of fellow members in a relaxed atmosphere.

I am happy to announce we were lucky enough to obtain the expertise of noted turner ANDREW POTOCHNIK from Melbourne. Andrew will be conducting a full day workshop for us in August. I'm sure we will all learn a lot of new and interesting techniques and ideas from him. There is an extremely interesting write up on Andrew in the Woodturning Magazine No. 34, Page 74. If you can obtain a copy, it is well worth a read.

Neil Piper and I would like to thank everyone involved in organising Richard Raffan's visit. We hope the 180 members who attended enjoyed the day. We would like as much "feed back" as we can get so we can organise further workshops for our members. Without your input, we cannot provide what you want, so please keep it coming.

Yours in turning. Russ.

---

## OBITUARY

Our sincere condolences are extended to Mrs Mavis HILLS and family on the passing of their husband and father, Brian.

---

## COUNTRY WEEKEND MEETINGS.

JIM PEMBER of North of the River Group will organise a bus to go to country meetings if sufficient members are interested. Those who are interested in going to the Mandurah meeting on a bus, please ring Jim on: (09) 409 9124.

---

## ALL MEMBERS PLEASE NOTE:

**REPORTS OF ANY ACCIDENTS AT ASSOCIATION FUNCTIONS, WHICH WILL RESULT IN INSURANCE CLAIMS FOR INJURY MUST BE IN WRITING AND FORWARDED TO THE SECRETARY OF THE ASSOCIATION IMMEDIATELY AFTER THE ACCIDENT.**

**ALL ACCIDENTS, MAJOR OR MINOR, MUST BE RECORDED IN A REGISTER OF ACCIDENTS MAINTAINED BY EACH GROUP.**

---

**TRUE COURAGE IS A FLAG  
NO ENEMY CAN SHOOT DOWN.**

## ASSOCIATION WEEKEND CALENDAR.

Date: 20th April. SATURDAY ONLY  
Venue: Wandl Community Hall, De Haer Rd, Wandl  
Competition: Platter in Two Timbers.  
Host Group: Melville.  
Trade Supplier: Southside Woodturning Supplies.

Date: 18th May. SATURDAY ONLY.  
Venue: Mandurah Senior High School.  
Competition: Square Edged Bowl (300mm Max diam.)  
Host Group: Mandurah.  
Trade Supplier: Southside Woodturning Supplies.

Date: 15 - 16th June.  
Venue: Loftus Community Centre, Leederville.  
Competition: Candlestick, to drawing on page 5 this issue.  
Host Group: North of the River.  
Trade Supplier: Timbecon.

Date: 20th - 21st July.  
Venue: Brown Park, Swanview.  
Competition: Clock (maximum dia. face 200mm)  
Host Group: Midvale.  
Trade Supplier: Woodworking Centre.

Date: 24th August.  
Visiting Turner: ANDREW POTOCHNIK. See Page 4.

---

## DEMONSTRATIONS, EXHIBITIONS, SALES.

4 - 8th June MELVILLE PLAZA SHOPPING CENTRE  
Canning Highway, BICTON.

13 - 16th June TRADITIONAL CRAFT SPECTACULAR  
Claremont Showgrounds.

19-24th August SOUTHLANDS SHOPPING CENTRE  
Burrendah Boulevard WILLETTON.

For further information on forthcoming  
Demonstrations, Exhibitions and Sales, contact:  
John Lillywhite Phone: (09) 339 2359  
Len Nicholls Phone: (09) 339 6490

Swan Cottage Homes Exhibition 96. The Woodturners have again been invited to exhibit in the Swan Cottage Homes Art Gallery for four weeks from 29th June. This is a great opportunity to show our work to the visiting public.

Those interested, please contact Nancy Launer (097) 523998 or Neil Piper (09) 398 2387.

---

4.15 Competition Voting Closes.  
Demonstration - Gadgets, Pole Lathe, Thicknesser, Router Lathe and others. Inventors are invited to participate.  
Re-load Chuck Wagon, all hands please.  
5.15 Results of competition and presentation of prizes.  
6.00 EVENING MEAL. Share casseroles (reheating facilities available).  
7.00 Show and Tell with Ray Bailey and John Tieman.

We are happy to announce that your Committee has finally been able to arrange a Workshop with noted turner:

## ANDREW POTOCHNIK

**Date:** SATURDAY 24th AUGUST, 1996

**Time:** 9am to 5pm

**Venue:** Home Base Expo Auditorium  
55 Salvado Road Wembley.

- Large 5 metre x 5 metre video screen for easy viewing.
- Tiered seating.

**Cost:** \$10.00 per head.  
ADVANCE BOOKINGS REQUIRED.

Make your cheque payable to: The Woodturners Association of Western Australia Inc. and send it to:

Russ Russell (President WAWA)  
19 Mopsa Way Coolbellup 6163

- A stamped self addressed envelope is required for your receipt to be sent back to you. Your receipt is your entry ticket.

**A**NDREW POTOCHNIK has won several national and international awards in woodturning and sculpture. He also has had articles published worldwide, in the Woodturning Magazine UK, Australian Wood Review. His work is exhibited in the Gallery for Applied Art, in Munich, Germany. Andrew lectures, demonstrates and teaches woodturning. His work and expertise are unique to say the least. Part of Andrew's unique style is to work with veneer, paints and dyes, laminating a number of rare timbers into a stable material without much wastage. He also makes use of mild steel, paint and feathers.

Members please note: This workshop with Andrew will take the place of our regular August workshop meeting. Andrew will be judging our August competition item which is :

**Specimen vase in two or more timbers. Maximum height 200 mm.**

**DON'T MISS OUT ON THIS EXCELLENT WORKSHOP.**

**BOOK NOW.**

### COMPETITION LEEDERVILLE, JANUARY. Pair of Wall Lights.

There were only six entries for this month's competition: two in each category. Whilst this small number was disappointing from an Association of some 700 members and 100 - 150 attendees, perhaps in this case it was the competition subject that was the reason.

The Committee is keen to hear from members with suggestions for competition subjects which will generate more entries. The six entries were all very well made and also displayed a wide range of design in a variety of timbers. Congratulations to those who did enter.

### RESULTS

<b>Beginners.</b>	1st	Peter Dessent - Jarrah	(62)
	2nd	Rex Bungey - Cape Lilac/ Jacarandah	(61)
<b>Intermediate.</b>	1st	Val Pereira - Jarrah	(42)
	2nd	Derek Pollard - Jarrah/Jacarandah and Polycarbonate	(41)
<b>Open.</b>	1st	Alan France - Jarrah, Sheoak and Walnut Veneer	(22)
	2nd	Neil Piper - Jarrah	(21)

**Ladies Choice:** Val Pereira.

This month's competition included a critique by a panel of judges who provided their written comments to each competitor. Our thanks are extended to the judges, Ron Goodson and Joe Hegney.

### COMPETITION BRUNSWICK, FEBRUARY. Lidded box with inlay.

The competition item this month proved more popular than the January wall lights! Eighteen entered, 12 beginners (including many locals), three intermediate and three in open. Once again competitors showed great skill and imagination and it should be an inspiration to other members to join in this most rewarding Association activity.

### RESULTS

<b>Beginners.</b>	1st	Joe Vogel - Jacarandah and Mulberry Oval Box	(71)
	2nd	Rex Bungey - Sheoak/Jarrah	(72)
	3rd	Doug Chamberlain - Sheoak, Orange and Lemon wood	(70)
<b>Intermediate.</b>	1st	Val Pereira - Jacarandah/Sheoak	(41)
	2nd	Derek Pollard - Jacarandah/ Jarrah	(44)
	3rd	Robin Halbert - Jarrah/ Sandalwood	(42)
<b>Open.</b>	1st	Alan France - Jarrah/Ramin	(24)
	2nd	John Shinnick - Sheoak/Sandalwood	(21)
	3rd	Kevin Pritchard - Californian Walnut/ Cape Lilac	(22)

**Ladies Choice:** John Shinnick.

Our thanks go to the two "critique" judges, Terry Wilson and Tom Kettle and to Peter Dessent who conducted the competition for me this month.

Gerald Young.

### 1996/97 COMPETITION SUBJECTS.

Start looking for that special piece of wood now.

JUNE.	CANDLESTICK - to drawing, see next page.
JULY.	CLOCK (max dia of face 200mm)
AUG.	SPECIMEN VASE in two or more timbers. (max height 200mm)
SEPT.	SPLIT TURNING. (See Gerald's Notes Last Newsletter)
OCT.	TABLE LAMP (electric or oil)
NOV.	MINIATURE PEDESTAL (max height 400mm)
DEC.	BEST THING TURNED ALL YEAR.
JAN 97	THIN TURNING (max thickness 2mm)

**LETTERS TO THE EDITOR .....**

The KENWICK two days of demonstrations by Vaughan Richmond, Peter Lowe and Viv Paust proved to be a great success. I'm sure that all those who attended would agree.

It is wonderful that the KENWICK Woodturning Group had the foresight to apply and were able to procure a grant from the Gosnells Shire. Congratulations also on the new building the Shire has provided for the LIDDELOW HOMESTEAD ARTS and CRAFTS CLUB which the Woodturners can use. I feel that it is a most adequate location for a WAWA Weekend. Thanks again for a fine weekend.

John Lathwell. Member No. 36.

**FROM THE EDITOR .....**

We have had comments that the Newsletter is "stale and boring". If you would like to see the format changed, please let us know and provide some constructive suggestions. We again ask that members contribute technical articles, tips or general interest items to benefit our members in general, many of whom have little contact with the Association other than through the Newsletter.

**HANDY HINT**

**BACKING PAD MATS USED FOR SANDING,** similar to scouring pads used in the kitchen.

Since I have been turning, I have always used the thrown away stripping pads used on most commercial polishers. They are very soft to use and are most durable. If a woodie knows of School Cleaners etc, they would gladly give them to you as their used ones are usually thrown in the rubbish. Simply rinse them in hot water, dry and cut into approximately 4" squares. An normal 18" diameter pad cut into portions will last the average turner over six months.

Bob Power.

**W.A.W.A. LIBRARY**

Many thanks to Viv Paust who has operated the library for many years. Len Nicholls has taken over and with the help of Bill Botman hopes to have it available at all weekend workshops.

All members are welcome to make use of the facility and it is a simple procedure. Select the magazine you wish to borrow. Remove the green card from the pocket inside the front cover. Write your name on the card, date stamp it (date stamp provided will show one month ahead) and place card in borrowers box. Books should be returned at the next meeting, but two months is the limit so others can have a read. When returning book, take appropriate green card from box and replace in magazine.

On the point of returning books, there seem to be some that have been outstanding for a long time, so have a look amongst the shavings or on shelves to see if you have some of the missing species. No penalties, just return them.

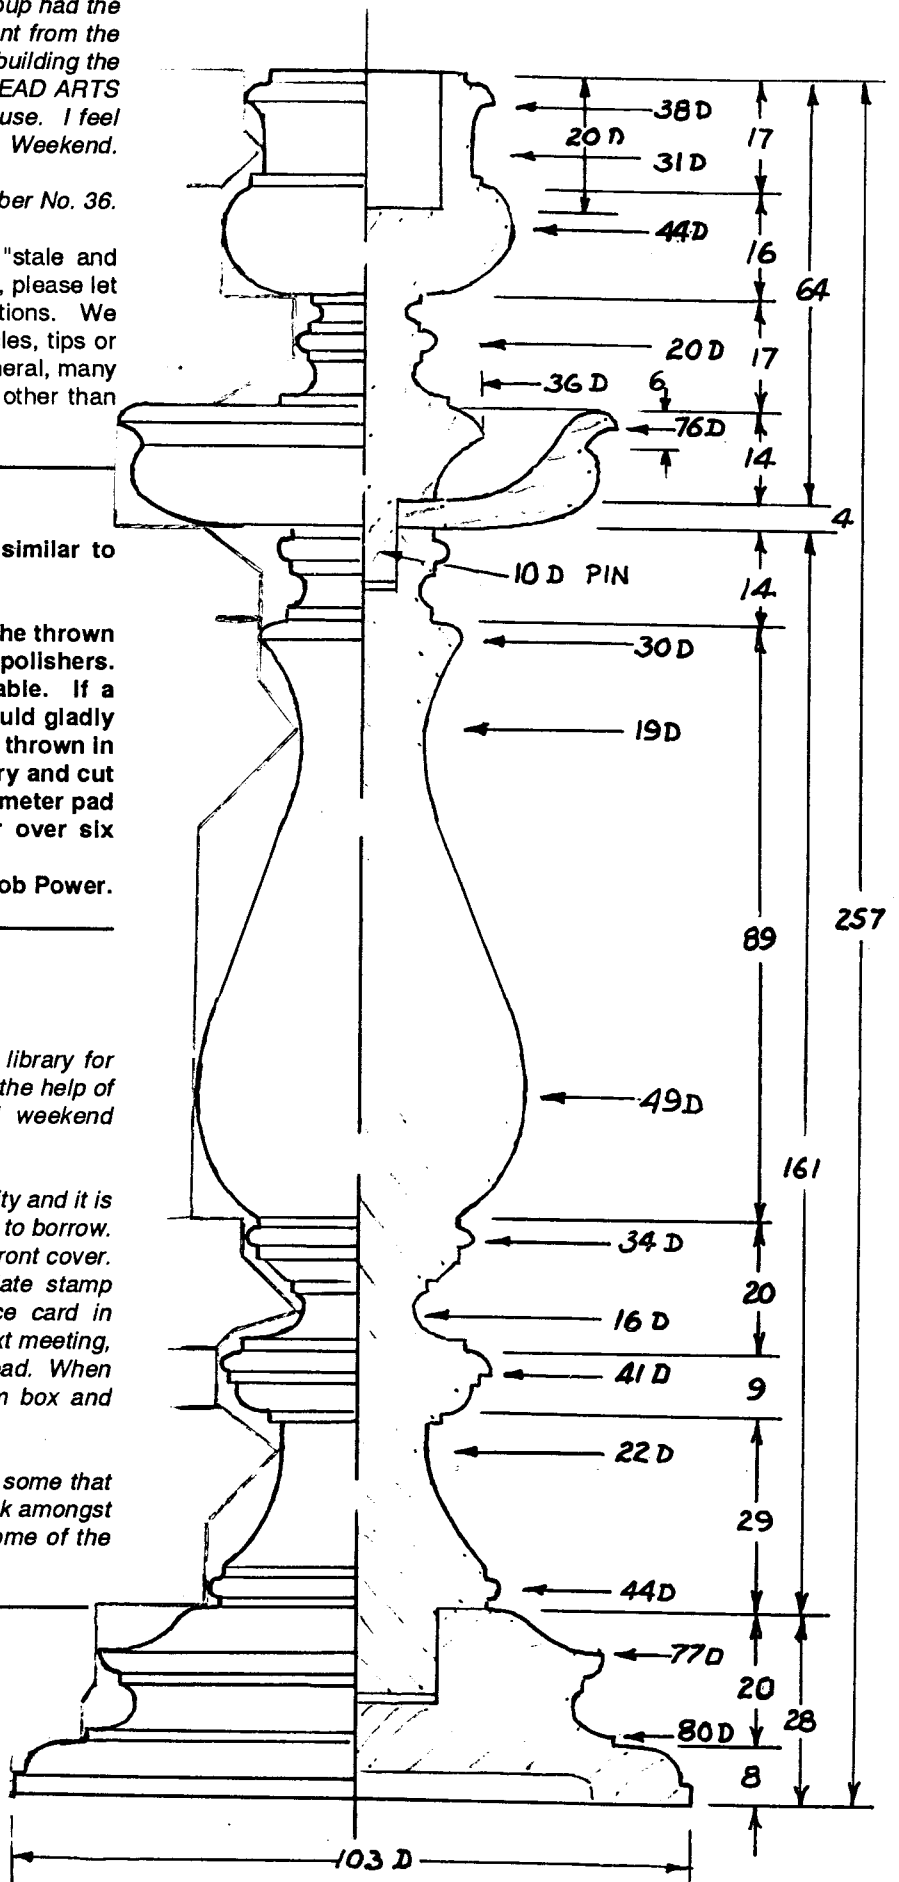

**THE GOOD YOU DO TODAY**

**BECOMES THE HAPPINESS**

**OF TOMORROW.**

**CANDLESTICK  
JUNE COMPETITION ITEM.**

Note: Reduced, not to scale.

## PROFILE OF A TURNER .....

### RON GOODSON

**R**on has been a member of WAWA since the second meeting. Well known for his many demonstrations, particularly on aids to decorative turning such as Jacobean twist and carving with turning. He is also well known for his grandfather clocks which entail carpentry and joinery, turning and carving plus the fitting of the clock works.

Ron's great grandparents came to WA in 1842 arriving at Australind on the "Trustee". Ron was born at Wellington Mills in the South West of WA where his father was assistant manager. They moved to Mornington Mills, but the Great Depression of the early 1930's forced closure of the mills. His father then bought a dairy farm at Harvey. Ron worked with his father on the dairy farm and combined this with small building work until the outbreak of World War II.

Ron joined the 2/10th Armoured Regiment and served in Grant and Stuart tanks as a wireless operator gunner. By the end of the war he had obtained his commission.

Under the post war rehabilitation scheme, he completed a course in carpentry and joinery and then worked as a journeyman for some eight years. During this time, he bit by bit, made 13500 cement bricks (due to the shortage of cement this took some time), with which he built his own home in Harvey. This home was eventually sold to the Medical Department and is still in use as the residence of the Harvey Hospital Secretary.

Ron's first wood lathe was made by an aircraft fitter and turner in Harvey. It was exceptionally well made and is very likely still in use after many years of service.

Ron next decided to undertake academic studies and, after obtaining his leaving certificate, joined the Education Department as a Manual Arts teacher on supply. In 1958 he graduated from Claremont Teachers College and was posted back to Harvey Agricultural Senior High School where he taught for eight years.

In 1966 Ron applied for and was granted a Colombo Plan appointment to the Singapore Training College. Together with other Plan officers, he supervised the installation into 17 secondary schools of the \$4,000,000 worth of machinery supplied by the Australian Government. He then initiated a training scheme for Singaporean teachers to use this equipment.

After returning to Australia he taught at various Metropolitan Schools until appointed to the Nedlands Teachers College of Advanced Education later to become part of the Edith Cowan University. Under his stewardship, many mature age students with industrial experience were trained to become Manual Arts Teachers.

During this time he attended a Plastics course at Norwood Senior High School in Adelaide with the aim of

introducing plastics into WA Schools through the Teacher Training Scheme.

Ron initiated courses in Freeform, Wood Carving, Marquetry and Wood Turning. He compiled the associated text books to complement these courses. At Nedlands, In-Service courses were run to re-inforce these subjects and to assist their introduction into secondary schools. After 14 years as a lecturer in Woodworking subjects, Ron retired. Sadly, Manual Arts is no longer given the emphasis he believes it deserves.

Ron is greatly respected in WAWA as both a demonstrator and as one who is only too happy to share his vast knowledge and experience with any who care to ask. An expert in sharpening tools, he has appeared in a video produced by WAWA and this is available on loan to members who wish to learn more of this important part of woodturning or woodworking.

He greatly enjoys the social and practical aspects of our Association and his contribution is greatly valued.

---

### KENWICK GROUP WEEKEND WORKSHOP.

*KENWICK staged a happy and successful weekend activity over 16-17th March in their new building at Cooper Avenue. It all started when we applied for a grant from the Gosnells Shire for skill development. Thanks to the good submission put in by our Convenor, Peter Dessent, we obtained sufficient money to fund the cost of the demonstration and administration with the help of a very modest entry fee.*

*Vaughan Richmond conducted a full day workshop and demonstration on Saturday, with plenty of hands-on opportunities. These were enthusiastically taken up by our attentive audience. He worked through all the stages of turning - thin bowls, using hot melt glue, chucking in various modes. This was followed by gold and copper leafing as well as the use of acrylics to add colour. Fifty five attended.*

*Sunday at 9 am we had 45 attentive members and visitors ready to be enlightened by Peter Lowe on the art of making and decorating closed forms and platters. Peter took us through all the stages of turning the items, with hands-on opportunities at particular stages of the work.*

*It was especially interesting to see the way he uses the router to remove the bulk of the waste wood before carving the details of the design. The use of colour followed by carving through the paint layers was most effective.*

*Sunday afternoon was spent most entertainingly with Viv Paust nominally on the subject of Doughnut Turning. Not only did we get an exciting demonstration of the process and a good indication of its wide potential, we also enjoyed the good humour of a very popular demonstrator.*

*Viv also gave us a very thought provoking talk on his two months work helping Timorese youth develop woodworking skills. This gave us some insight into the conditions in which they are working and the warmth of their friendship.*

*Thankyou Viv, Peter and Vaughan for your efforts. They were very rewarding.*

*Gerald Young.*
