Brian Parker

Brian Parker died suddenly on the 2nd of February 2006 after suffering a massive heart attack.

The Gosnells Group would like to assure his wife Maureen and his family of our sympathy and continued support and assistance if required.

Brian was a long-standing member of our group, and he was instrumental in our shift from Liddelow to Gosnells.

He served as Convenor, he helped Novices with advice, he repaired our broken Bandsaw blades, and he opened his home for committee meetings as well as for Christmas barbeques.

Brian's specialty was to turn miniature hollow vessels with his homemade tools.

We will miss Brian, his gentle manner and his very dry sense of humour.

RIP Brian.
