

Box Making 404 (Code BM1)

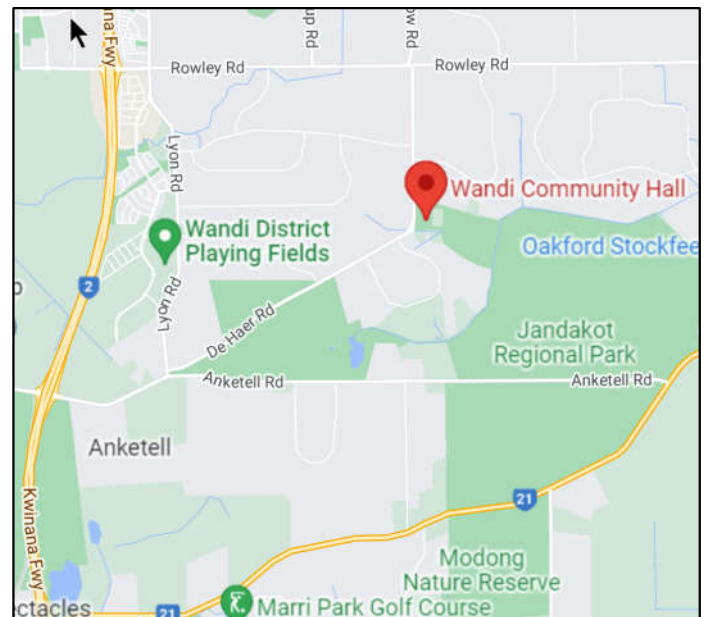

Trainers: Denis Tapley and Ian Moss

Date: Thursday June 2nd 2022

Time: 8.30am for a 9am start
Finish 3.30pm

Venue: Wandí Woodturners.
302 De Haer Rd,
Wandi WA 6167,

Central Topic:

Advanced Box Making. This course is for people who are confident turners and have mastered the basics, such as maintaining bevel contact, turning thin-walled items, etc. If you think our box projects will take you to the next level of woodturning, then this course is for you.

Secondary Considerations:

- Design aspects to enhance the aesthetics of the finished item
- Participants will choose a box design and, if desired, make enhancing design modifications
- Several ideas for embellishment will be considered

Timber:

Participants are to supply their own timber.

Please bring several blanks from which a choice can be made and ensure the timber has no cracks or holes.

The boxes will be a moderate size so the size of your blank will need to be 150mm to 200mm diameter by 50mm to 100mm deep. You could also bring smaller pieces for the lid. If you choose to make a square box then a square piece wood be good but can be made from round and then cut later.

Tools:

Please bring a selection of general turning chisels, bowl gouges, spindle gouges, roughing gouge, parting, skew, face mask etc. Please ensure they are freshly ground sharp

Tea, coffee will be available. Please BYO lunch. You won't have time to purchase lunch at a shop.
